

Handwashing Song

contributed by Julie Price

(Sing to the tune of Polly Put the Kettle On)

Everybody wash your hands (wash palms and backs of hands)

Everybody wash your hands (wash fingers)

Everybody wash your hands (wash left wrist)

Before your tea (wash right wrist)

Soap away the germs and bugs (interlink fingers to wash between them)

Soap away the germs and bugs (interlink fingers to wash between them)

Soap away the germs and bugs (wash thumb of left hand)

Before your tea (wash thumb of right hand)

Everybody rinse your hands (rinse hands under water)

Everybody rinse your hands,

Everybody rinse your hands,

Before your tea

Dry your hands upon the towel,

(dry hands thoroughly)

Dry your hands upon the towel,

Dry your hands upon the towel,

Before your tea
